

Membership Renewal

Thank you for renewing your membership with the Association of Advanced Practice Psychiatric Nurses.

We appreciate you continuing your support of Washington state's only professional organization committed specifically to advanced practice psychiatric nursing. Through your membership, you help AAPPN to:

- Advocate for advanced practice psychiatric nursing and for patients' rights and access to care.
- Support professional autonomy, authority, and visibility.
- Maintain excellence in practice through peer education, publications, interest groups, and ANCC-approved conferences, Master Classes, and workshops.

As you know, in 2020 AAPPN offered a 10% discount to assist members during the COVID-19 pandemic. We are offering that discount again in 2022 as we all work together to weather this situation. You may apply a 10% discount to your renewal payment. This is an optional discount. You can choose to pay your full dues amount if you wish—with our deepest gratitude of your support.
